The Little Library sets are usually constructed from thick cardboard or laminated paperboard, making them resistant to tears and spills. The size of each book is optimized for small hands?roughly 5x7 inches?to facilitate easy handling and turning of pages.

The library box or case in which these books are stored generally features a sturdy cardboard or plastic build with a handle, allowing children to carry their stories easily. This portability encourages independent selection and fosters a sense of ownership over their reading materials.
