Dear [Lab Manager?s Name],

Subject: Formal Complaint Regarding Inaccurate Test Results

I am writing to formally express my dissatisfaction with the service I received at [Lab Name] on [date of service]. I recently underwent [specific test, e.g., blood glucose test], and upon reviewing my results, I found discrepancies that have caused considerable concern.

Details of the Incident:

On [date], I visited your facility for a routine blood test. I was assured that the results would be ready within 24 hours. However, when I received my report on [date], I noticed that the results indicated an abnormally high glucose level of [value], which contradicted my previous tests and my current health status. I subsequently sought a second opinion from another certified lab, which confirmed that my glucose levels are within the normal range.

This discrepancy has not only caused unnecessary stress but has also led to unwarranted medical consultations and medication adjustments. I believe that such inaccuracies could potentially harm patients and undermine trust in your laboratory?s services.

Supporting Evidence:

- Copy of the test report issued on [date] (attached)
- Receipts of payment for the service
- Correspondence regarding test result delays

Expected Resolution:

Given the seriousness of these discrepancies, I kindly request the following:

- A thorough investigation into the cause of the inaccurate results
- Re-testing of my samples at no additional cost to confirm the findings
- A written apology acknowledging the error and outlining steps to prevent future occurrences
- Assurance of quality control measures to ensure accuracy of future test results

I trust that your institution values patient safety and professional integrity, and I look forward to your prompt response within 14 days of receipt of this letter. Should I not receive a satisfactory reply, I will consider escalating this matter to relevant health authorities and regulatory bodies.

Thank you for your attention to this matter. I hope we can resolve this issue amicably and uphold the standards of quality and professionalism expected from [Lab Name].

Sincerely,

[Your Name]
